Lab 0\L0q9.java

```java
//9.    Write an interactive program to print a string entered in a pyramid form. For instance, the string “stream” has to be displayed as follows:
//               S
//              S t
//             S t r
//            S t r e
//           S t r e a
//          S t r e a m

import java.io.*;
